

**Robert Bennin, APTD, CFA, MoID, MSc, B.A, Dip.**

Robert Bennin is an Executive Coach and Strategy Advisor to Boards, CEOs and executive teams of several organizations in Ghana, Nigeria, Tanzania, South Africa and Rwanda. Robert's global perspective and intimate understanding of the trends and changes taking place in emerging markets have made him an invaluable resource to clients as they seek to resolve the challenge of building enduring and highly effective institutions.

As the founder and Chief Learning Strategist at TEMPLE Advisory, he has led the design and delivery of over 400 strategic, value-enabling learning programs in the domains of leadership, strategy and finance to 100+ clients from diverse industries in 5 countries.

Robert spent the initial years of his career in management consulting, corporate finance and asset management. In the last decade, Robert has supported several professional educational institutions including the National Banking College, African Leadership University School of Business, Ghana Stock Exchange, Institute of Directors, etc.
